

OZTENT®

OXLEY 7

Key Features:

- High-speed setup
- Fly included
- 100% Waterproof material guaranteed
- Pull-out extension for extra space
- Sleeps 7

*Shown with optional peak poles

Description:

If bigger is better, the Oztent Oxley 7 stands tall! It features a compact pack size and includes an innovative pull-out extension that delivers a load of extra space. This is the perfect family tent.

It's not just big, it's also clever. The tough exterior frame features aircraft-quality components and a patented auto lock and release mechanism. Setup couldn't be easier and the extra large attached awning adds even more living space.

NEW FEATURES

Integrated Media Pocket

Ever wanted to lay back and watch a movie in your tent? Well now you can! Our integrated media pocket will hold most devices so you can sit back and enjoy some entertainment.

Fly Included

We have included the fly with the tent kit. The use of a fly in a single skin tent can greatly reduce the amount of condensation in colder weather and keep the tent cooler in warmer weather.

Passive Ventilation System

The Passive Ventilation System allows air to flow through the tent minimising the potential for condensation forming inside the tent. This makes for a cooler, less humid and more comfortable camping experience.

Auto Lock/Release Frame

Our innovative frame has automatic lock and release mechanisms which makes setting up and packing down incredibly easy. Once you lock in the centre hub, all legs are pulled and simply locked into place. Similarly when packing down, pull down the center hub and all legs automatically collapse.

Extra Large Attached Awning

Extra covered living space is essential when you're camping. The attached awning not only allows for more space but more versatility. Walls can easily be attached to the awning to fully enclose the space and give extra privacy.

Specifications:

Material	
Tent	8-ounce Ripstop Polycotton Canvas
Floor	Heavy-duty, heat-sealed PVC tub floor
Frame	Exclusive corrosion-resistant aluminium
Fly Screens	No-See-Um Mesh
Dimensions	
Packed Size	118cm (L) x 35cm (W) x 35cm (H) 46" (L) x 14" (W) x 14" (H)
